

JULIET FUNT TEAM EFFICIENCY WORKSHOPS

At JFG, we deliver the one thing you need to achieve every military goal: Time.

WHY YOU'LL WANT US ON SPEED DIAL:

- **Lack of time for strategic thought and innovation**
- **Unclear prioritization** with too many goals and projects
- **Agility and focus compromised** by constant urgency
- **Burnout** and overload threatening your mission
- **Poor service member experience** becoming turnover
- **Teams drowning** in meetings and emails

WINS FROM OUR INDUSTRY CLIENTS:

- **Increased efficiency rating** in **96%** of learners
- **85%** of learners are **happier at work** (yes, it's possible!)
- **Distractions down** for **83%** of learners means **more focus**
- **19%** increase in **time for strategic and meaningful work**
- **26%** decrease in total time spent on email
- **15 hours per person** monthly reclaimed

WINS FROM OUR INDUSTRY LEARNERS:

*"This has been the **most useful training** I've had in twenty plus years of being in the industry."*

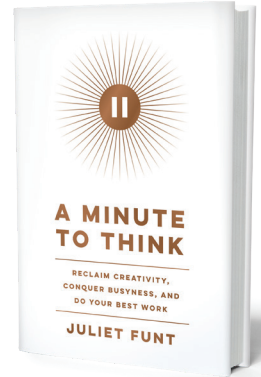

*"I've had **significant time** received back to my schedule"*

*"It's created a **common language** on my team and amongst my colleagues that we all now speak. **THANK YOU** for this initiative."*

*This program **has been instrumental** in pushing me to "build habits that enhance productivity and elevate the quality of my work."*

OUR BOOK:

- Endorsed by Seth Godin, Dan Pink and Cal Newport
- Wall Street Journal+ Audio Book of the Month Selection
- **Taught at the Army War College and Joint Special Operations University**

DELIVERY OPTIONS:

Our suite of customizable solutions produces measurable results and includes organizational diagnostics and **performance development workshops**. To keep learning alive, we feature unique sustainability programs with both custom and competitive elements.

Our CEO Juliet Funt is a sought-after presenter for conferences, team meetings and leadership events.

MEASURING IMPACT:

Assigning pre and post numbers to the improvements we create is the most **unique validation of our work**.

We deploy a globally unique process of quantifying busywork so that when we reduce it, we know **exactly how many hours of value** we've created for our client.

This quantifiable lens sets us apart from almost all behavioral training, and we're proud to explain the details to you.

TRUSTED BY:

(Our new footprint within the military is growing fast with centers in Special Ops., AF and TRADOC)
